CLOTHING/TEXTILE RECYCLING DRIVE

Saturday, April 18th 2015 at Louis Engel Waterfront Park
11:00am-4:00pm - Adjacent to the Ossining Train Station

Green Ossining and our partner Green Tree have teamed up to bring you this program. Green Tree was founded to recycle unwanted textiles material including clothing, shoes, accessories and household linens that would otherwise end up in our already overburdened landfills. Our recycling services support people, who are in disadvantage and those in transition. Green Tree strives to preserve the environment by repurposing clothing and textiles for re-use by environmentally minded manufacturers and designers. We'll be accepting clothing, shoes and house hold linens in any condition!

REDUCE-REUSE-RECYCLE

SPECIAL ACTIVITY: T-SHIRT-2-TOTE: Come to the Green Ossining Booth with your favorite t-shirt and we'll show you how to make a re-useable tote bag out of it!
